

Rosary for Warriors

In a moment of desperation and grief, in a time of profound concern for - not only for Service men and women who were in combat zones - but for their families, the Rosary for Warriors was born. It's been prayed by Catholics associated with the Military or just those who respect the sacrifices of our Military, since 2004. Please consider joining us in this powerful movement. Let us place those who protect us into the Lord's hands seeking His Divine protection for them. Let us join with the intercession of Our Lady and the saints in lifting up those who are willing to lay down their lives for a friend and those who love them. And let us remember the victims of war, caught in the violence through no fault of their own. Lord, have mercy.

Let us pray...

(Praying the Rosary while meditating on the Sorrowful Mysteries is recommended.)
